

Seminar One:

Introduction

Seminar Objectives (these are listed in the “performance assessment connection” column of the seminar overview)

Changes in Indiana Licensing Procedures

Putting it Altogether: Standards for Teachers, Indiana Student Standards, and INTASC

- Scavenger hunt
- How standards relate to “best practices” in teaching today’s students

The Portfolio as an Assessment Tool

- History – a little of where we’ve been and where we’re going

Break

Reflection – More Than a Mirror Image

- Value of
- How reflection becomes an integral part of portfolios
- Can students be reflective learners, too?
- Reflection articles

Discussion – Teaching trials, tribulations and (yes) successes

Getting Prepared for Next Time – any assignments are given
